BAPTIST ASSOCIATION

Church Multiplication Movement Leader (Part-time Volunteer - Pastor/Lay Leader)

Responsibilities:

- 1) Develop & implement a church-based strategy to create a multiplication movement of disciples, leaders, small groups, ministries and new congregations.
- 2) Coordinate church planting among a particular language/people group(s) and/or geographic region and/or your church/network of churches in CMBA and beyond
- 3) Identify potential sites & potential church planters & teams (Lay, bi-vocational, or full-time)
- 4) Assist as you are able with training events such as assessment, basic training, coach/mentor training, etc. This may mean that you may need to work through the certification process of various training events. Identify others that would do a good job assisting as well.
- 5) Try to make as many of the monthly regional New Work Development Team mtgs as possible.
- 6) Pray regularly for the leaders & church planters in your church multiplication movement.
- 7) Keep the data & resources that pertain to your area of ministry current in the tracking system (the CP Admin Asst will train you and assist you).
- 8) Help your church planters with their funding process & developing partnerships
- 9) Make sure that each of your church planters is being coached/mentored by someone regularly
- 10) Give input concerning the association's strategy, budget, etc. so that we can become the best possible team in reaching Chicago & beyond for Christ.
